Alabama Wildlife Management Areas

Alabama's Wildlife Management Areas (WMAs) are great places to enjoy wildlife from the mountain forests in north Alabama to the Mobile Delta in the south. There are 36 WMAs across the state containing over 760,535 acres. WMAs are operated by the Alabama Division of Wildlife and Freshwater Fisheries (ADWFF) and provide valuable public access for hunting and a multitude of other recreational activities. Hunting, fishing, camping and other permitted uses vary from area to area. Be sure to check regulations before planning your Alabama WMA outing.

This publication provides current season information and helps answer some of the more frequently asked questions regarding hunting on WMAs. Many hunters find the deer and turkey harvest information (included in this guide) helpful when deciding where to hunt. Additional information provides details on license requirements, WMA size and location, other rules and regulations, new publications by the Wildlife Section, and other topics that may be of interest to many hunters. We hope you find this WMA Schedule and Information helpful and useful.

Licenses, Permits, and/or Stamps Required to Hunt on a Wildlife Management Area or to Use the Shooting Ranges

To hunt on an Alabama Wildlife Management Area (WMA), a hunter is required to be properly licensed and permitted. Hunters must possess a:

- 1) valid Alabama hunting license (unless under the age of 16 years old and accompanied by an adult or are Alabama residents over the age of 64 years old) (a Wildlife Heritage license is valid in lieu of a resident State Hunting license and a WMA license for small game hunting, except waterfowl);
- 2) WMA license (unless under the age of 16 years old and accompanied by an adult or are Alabama residents over the age of 64 years old) for hunting deer, turkey, and waterfowl; and
- 3) WMA Permit. A valid WMA Permit (free permit) must be in possession prior to possessing a firearm or bow on any WMA.

Waterfowl hunters must have in possession a valid State (ages 16 to 64) and Federal (ages 16 and over) Waterfowl Stamp in addition to the above mentioned licenses and permit to hunt on a WMA.

All migratory bird hunters must have a Harvest Information Program (HIP) permit (a free permit). Federal law requires license buyers who hunt any migratory species (such as mourning doves, woodcock, rails, snipe, coots, ducks, or geese) in any state to obtain a Harvest Information Program permit.

Licenses are valid from September 1 through August 31 each year. Successfully completing an approved hunter education course is mandatory for all hunting license buyers born on or after August 1, 1977 (see page 3, Changes in Hunter Education, for exceptions). For license costs, refer to the table on page 16.

Shooting range users, ages 16-64 for residents and 16 or older for non-residents, are required to have a valid Alabama hunting license, a Wildlife Heritage license (residents only), or a WMA license.

Locations for Obtaining Licenses, Permits, and Stamps

Alabama hunting licenses, Wildlife Heritage licenses (residents only), and WMA licenses are available throughout the State from approximately 500 special license agents in many sporting goods stores, marinas, and at all county courthouses, or by calling the toll free number (1-888-848-6887) and purchasing your hunting license with a credit card. Licenses also may be purchased with a credit card via the internet at www.outdooralabama.com.

The WMA permits/maps are available free of charge from District Offices, WMA Headquarters, www.outdooralabama.com (both pages required), or other locations listed in the Permit Information section (pages 10-12).

There are several ways to obtain a State Waterfowl Stamp or privilege to hunt. One or the other may be obtained at county courthouses, Alabama Department of Conservation and Natural Resources (ADCNR) Headquarters, all ADWFF District offices (see page 16 for location information), by calling the toll free number (1-888-848-6887) or via the internet at www.outdooralabama.com. In most instances, you are purchasing the privilege; you will not receive an actual stamp at the time of purchase.

Federal Waterfowl Stamps are available at U.S. Post Offices, ADCNR Headquarters, and ADWFF District I and II offices.

HIP permits are free and are available at license vendors, by calling the toll free number (1-888-848-6887), or by visiting the internet at www.outdooralabama.com. **A resident without an Alabama driver's license must present proof of**

residency to a probate judge or license commissioner to purchase a license.

ADWFF - WMA Partners

A significant portion of the lands in the WMA program are made available through the generosity and cooperation of private and corporate landowners. These entities have partnered with ADWFF to provide you, the licensed hunter, access to hundreds of thousands of acres. The WMA system probably would not exist without their support. Use of these properties is a privilege and should be treated as such.

Other government agencies also provide a significant portion of the lands in the WMAs. Those include the U.S. Forest Service (USFS), Tennessee Valley Authority (TVA), the U.S. Corps of Engineers (COE), U.S. Fish and Wildlife Service (USFWS), Alabama Forestry Commission (AFC), and the Forever Wild Land Trust. Be sure to let all the partners know how much you appreciate their participation in the WMA program.

The Alabama Chapters of the National Wild Turkey Federation, Ducks Unlimited, and other non-profit conservation organizations have partnered with the ADWFF to help fund habitat enhancement projects on public lands, assist with land purchases, purchase and donate land, provide seed for wildlife openings, and assist with projects on WMAs. Such conservation oriented activities have been very beneficial for wildlife and for users of the WMAs.

WMA Gains and Losses

During the past year, two additions to the system occurred, including 320 acres to the Lauderdale WMA (Lauderdale County) as a result of a purchase by ADWFF and 1,897 acres to the Mobile-Tensaw Delta WMA (Baldwin and Mobile Counties) with the Forever Wild Land acquisition fund. Elsewhere, a lease agreement was not renewed and resulted in the loss of the Kinterbish CHA, about 2,900 acres. We greatly appreciate the working relationship we have had with the landowner to provide public hunting. Efforts will continue to develop additional leases.

Shooting Ranges

Shooting ranges are available for the public to safely discharge firearms on nine WMAs, as well as Etowah Public Shooting Range near Gadsden, and the Marengo Public Shooting Range (see map page 6). Most ranges offer 25 to 100 yard shooting opportunities. Wire is available for hanging targets. Shooters are responsible for supplying and removing paper targets and their trash.

The ranges are open to recreational shooters, competitive shooters, hunters, and other shooting enthusiasts (shooters, ages 16-64 for residents and 16 or older for non-residents, must possess an Alabama hunting license, a Wildlife Heritage license (residents only), or a WMA license). Shooters must follow all firearm safety and handling rules and posted range rules while using public ranges. For further information, call the Hunter Education Office at 334-242-3620.

Community Archery Parks

Community Archery Parks are open to the public in the cities of Athens, Cullman, Demopolis, and Dothan as a result of a unique partnership between the respective Parks and Recreation Programs, ADWFF, and the Archery Trade Association. Each of these facilities is slightly different from each other, but they all have bale type targets from 5-50 yards. Each also features an elevated platform approximately 12 feet above the ground with targets from 10-40 yards. Wearing of a full body harness is required while standing or shooting from the elevated platform. Broadheads are prohibited in the archery parks.

ADWFF is Funded by Hunters and Anglers

ADWFF is funded by hunting and fishing license revenue and Federal Aid in Wildlife and Sportfish Restoration Act monies. Wildlife conservation is funded by the Federal Aid in Wildlife Restoration Act, popularly known as the Pittman-Robertson (P-R) Act. This Act was approved by Congress on September 2, 1937.

The P-R Act provides funding for the restoration, rehabilitation and improvement of wildlife habitat, management, research, and the distribution of information produced by the projects. The P-R Act was amended October 23, 1970 to include funding for hunter education training programs and the development, operation, and maintenance of public shooting ranges.

Funds are derived from an 11 percent Federal excise tax on sporting arms, ammunition and archery equipment, and a 10 percent tax on handguns. These funds are collected from the manufacturers by the U.S. Department of the Treasury and apportioned each year to the States and Territorial areas by the USFWS. The number of hunting licenses sold helps determine the amount of money states can receive. State wildlife agencies are the only entities eligible to receive grant funds. Funds for hunter education and shooting ranges are derived from one-half of the tax on handguns and archery equipment.

Hunter Education

A change enacted in 2007 provides for a mentor status for hunter education that allows a person who has not passed a hunter education course to purchase a license and hunt under normal voice control, not to exceed 30 feet, of a properly licensed hunter 21 years of age or older. Under no circumstances shall the supervising person be the holder of a supervision required license. Showing a hunter education card will serve as proof of certification for non-supervising status.

The Alabama Legislature amended the hunting and fishing license requirements for active military personnel beginning on August 1, 2004. Beginning on that date, U.S. military personnel stationed in Alabama on active duty are deemed residents for the purpose of purchasing a hunting license, freshwater fishing license, or saltwater fishing license.

Changes to the hunter education requirement also went into effect on August 1, 2004. Previously, all persons born after August 1, 1977, were

required to obtain hunter education certification before they were eligible to purchase a hunting license. The new law exempts the following from that requirement: active duty U.S. military personnel, Alabama residents who are active members of the National Guard, and Alabama certified law enforcement personnel who are employed by a law enforcement agency in Alabama. Proof of this status must be shown to be exempt from the hunter education requirement.

In addition, residents of Alabama who are on leave from active military duty may hunt or fish without purchasing a State license; however, a WMA license is required to hunt on a WMA. For example, an Alabama resident who is a member of the Armed Forces and stationed in another state returns to Alabama for leave. That individual does not have to purchase a State license to hunt or fish while on leave in Alabama (must have copy with them).

More information about hunting and fishing regulations in Alabama can be found on the ADCNR web site, www.outdooralabama.com.

ANTLERED BUCK AND TURKEY HARVEST RECORD

A mandatory hunter harvest record is in effect this season. It is illegal for a hunter to field dress or move an antlered buck or turkey before dating a hunter harvest record (see example). This record will be provided on annual licenses. For license exempt or lifetime license hunters, a sample form is provided.

ALL ANTLERED BUCKS HARVESTED ON WMAS
MUST BE INCLUDED AS PART OF THE AN-
NUAL STATEWIDE THREE BUCK LIMIT

Wildlife conservation in Alabama is funded by hunters and anglers and uses none of the State of Alabama's General Fund monies.

Purchasing a hunting license, whether you hunt or not, supports wildlife conservation in Alabama.

- No small game hunting is permitted on days of gun, youth, and primitive weapons deer hunts, except on the Mobile-Tensaw Delta and W.L. Holland WMAs and the Daub's Swamp, Spidle Lake, and Dead Lake Units at Demopolis WMA.
- Coyote and feral swine may be killed during all scheduled WMA hunts (during daylight hours only), when possessing a valid WMA permit and using the weapons and ammunition that are legal for such designated hunts; no dogs.
- Fox (one per day) and bobcat may be harvested on all WMA scheduled hunts during daylight hours only within the time period of deer and turkey seasons in that county.

A State hunting license*, WMA permit, and WMA license* are required when hunting on WMAs, community hunting areas, or refuges. Also, HIP permit is required for hunting any migratory birds. In addition, both State and Federal stamps are required for hunting waterfowl. Either a State hunting license, a WMA license, or a Wildlife Heritage license is required when using a shooting range.

*A Wildlife Heritage license is valid in lieu of resident State hunting and WMA licenses for small game hunting, excluding waterfowl.

Hunting is the pursuit of game animals in a lawful, ethical manner. Hunters do the right thing even when no one else is looking.

Be a hunter and enjoy hunting.

Statistics for Spring Turkey Hunting on Alabama WMAs

The graph below reflects a ten-year trend of spring turkey harvests on WMAs. Management decisions for wildlife are usually based over a period of time (trend) rather than spotlighting any particular season due to normal fluctuations in populations from year to year. Turkey harvest data for each WMA in the 2009 spring season are shown in the table.

2008-09 Statistics for Deer Hunting on Alabama's WMAs

The number of deer killed on each wildlife management area (WMA), the hunting method, and the man-days of participation are compared in Tables 1 and 2 (information taken from Deer Hunt Results on Alabama Wildlife Management Areas, Annual Report, 2008-09). Hunter participation and success can vary due to weather, date of hunt, and length of the season. Statewide participation in stalk hunts increased by 1,149 man-days from last year's totals, with 15 of the 26 WMAs that offered stalk hunts increasing in hunter participation on stalk hunts during the 2008-09 season. Hunter success increased, going from 18 man-days per deer killed on stalk hunts in 2007-08 to 16 man-days per deer killed on stalk hunts in 2008-09. This success rate was better than the average of 17.5 man-days per deer killed on stalk hunts for the period of 2002-2007. Twenty WMAs scheduled either-sex deer hunts for youth hunters during the 2008-09 hunting season. Each hunter who participated in one of these special hunts had to be less than 16 years of age and accompanied by a non-hunting, licensed adult 25 years of age or older, or a parent. Total participation on these hunts increased from last year's total of 718 hunters to 1,015 hunters for 2008-09. The deer kill on these hunts increased, from 33 deer in 2007-08 to 182 deer in 2008-09. The primary purpose of the youth hunts is to acquaint young hunters with deer hunting. These hunts will continue on WMAs in the future.

Quality Deer Management on Some Alabama WMAs

Six WMAs currently are under quality deer management (QDM) guidelines. The 2008-09 hunting season was the tenth year of QDM for Barbour WMA, the ninth year for Geneva State Forest WMA, the seventh for Freedom Hills and Lauderdale WMAs, the sixth year for Lowndes WMA, and the second year for Black Warrior-Zone B. Antlered bucks must have at least 3-points on one antler (4 points at Black Warrior - Zone B) to be legal to kill and hunters have more opportunity to kill antlerless deer on gun deer hunts on all of these WMAs. The first five WMAs have shown considerable improvements in the age structure of the antlered buck kill since initiation of the QDM programs. For the 2008-09 hunting season, the overwhelming majority of the antlered bucks reported killed on these areas was comprised of 2-1/2 year old and older deer (Barbour 80%, Black Warrior-Zone B 100%, Geneva State Forest 61%, Freedom Hills 88%, Lauderdale 83%, Lowndes 83%). Prior to the implementation of the antler restrictions, 1-1/2 year olds were the largest age class in the annual buck kill. Over time, the current management strategies on all six areas should continue to produce a higher percentage of adult bucks (2-1/2 years old and older) in the population, as well as a more balanced adult sex ratio, more intense rutting behavior, and many other traits characteristic of a healthy, balanced deer herd managed under QDM. Biologists on these areas will continue to collect biological data, as well as public opinion data, to monitor the status of the deer herds and deer hunters on these six WMAs. These data will be used to evaluate the effectiveness of current management practices used on the areas and aid biologists in making decisions to help achieve their long-term management objectives. If the public's demand for more WMAs managed for better quality deer becomes stronger, the ADWFF may decide to initiate QDM programs on other public hunting areas in the future.

NOTE: THIS IS PROPOSED RULE FOR 2009-2010. NOT FINALIZED AT PUBLICATION. CHECK WITH WILDLIFE AND FRESHWATER FISHERIES FOR FINAL RULE.
THERE ARE MANY SPECIAL RULES AND REGULATIONS THAT APPLY ONLY ON WMAs. YOU SHOULD BE FAMILIAR WITH ALL REGULATIONS BEFORE VISITING A WMA.

By authority vested in me as Commissioner of Conservation and Natural Resources of the State of Alabama as provided for by the Code of Alabama 1975, §§ 9-11-301, and 9-11-305, I do hereby establish, proclaim and promulgate the following regulation which has the force and effect of law:

Section 1. Rule 220-2-55, entitled "Wildlife Management Areas, Community Hunting Areas, Public Hunting Areas, and Refuges of Alabama", is hereby amended to read as follows:

220-2-55 Wildlife Management Areas, Community Hunting Areas, Public Hunting Areas, and Refuges of Alabama

(1) It shall be unlawful on ALL WILDLIFE MANAGEMENT AREAS, COMMUNITY HUNTING AREAS, PUBLIC HUNTING AREAS, AND REFUGE AREAS, all of which are established as "wildlife management areas" by Rule 220-2-22 and all of which are hereinafter sometimes collectively referred to herein as "AREAS" or "AREA":

- (a) To hunt, trap, use dogs, possess firearms, traps, or bow and arrow, except on open designated target ranges and except bow fishing equipment from March 1 -August 31, without a valid permit. A permit is valid only during scheduled AREA seasons during legal hunting hours and only with the required hunting license(s) and stamps and only with weapons and ammunition permitted for hunting the wildlife listed on permit. See (ff) for limited exception for certain lawfully licensed handguns possessed for personal protection.
- (b) To use dogs for stalk hunting of deer or for turkey hunting.
- (c) To use dogs for small game hunting where dogs are expressly prohibited.
- (d) To use dogs for hunting, training or any purpose from March 1 until the opening of the following fall gun season.
- (e) For any person under 16 years of age to hunt on any AREA unless accompanied by a licensed hunter at all times.
- (f) To have in possession any fully automatic rifle or any firearms, ammunition or bow and arrow except as described below:

1. DEER: Stalk Hunts - Centerfire rifles that have been plugged or are otherwise incapable of holding more than 11 cartridges and using mushrooming and/or expanding type ammunition, shotguns using slugs or single round balls, muzzle loading firearms .40 caliber or larger, or centerfire handguns with a minimum 4 inch barrel length using mushrooming and/or expanding type ammunition. All applicable laws regarding possessing and carrying handguns must be followed.

2. DEER: Stalk Hunting - Primitive Weapons Hunt —using only muzzle loading rifles, muzzle loading handguns, muzzle loading shotguns, or bow and arrow (including crossbow). Rifles and handguns to be .40 caliber or larger; shotguns to use single round balls only. Firearms must be incapable of holding more than one charge per barrel.

3. DEER: Dog Hunts - Shotguns using buckshot only.

4. FERAL SWINE SPECIAL SEASONS: the same provisions as set out in (1)(f)1. and (1)(f) 2. above, except at Seven Mile Island where Primitive Weapons Stalk Deer Hunt provisions only apply, as set out in (1)(f) 2. above.

5. TURKEY: Shotguns using No. 2 shot or smaller and bow and arrow (no crossbows).

6. DOVE, WOODCOCK, SNIPE AND RAIL: Shotguns using No. 2 shot or smaller.

7. WATERFOWL: Shotguns using steel shot, T size or smaller. Waterfowl may also be hunted with other U. S. Fish and Wildlife Service approved shot and sizes.

8. QUAIL: Shotguns using No. 4 shot or smaller.

9. SQUIRREL, CROW AND RABBIT: Shotguns using No. 4 shot or smaller, rimfire firearms, muzzle loading rifles .40 caliber or smaller, or rifles operated by air.

10. RACCOON AND OPOSSUM - Daylight hours: shotguns using No. 4 shot or smaller or rimfire firearms only. Nighttime hours: shotguns using No. 6 shot or smaller; or .22 caliber rimfire firearms.

11. BOBCAT AND FOX: May be killed during any scheduled AREA hunt within the time period of deer and turkey seasons in that county, when possessing a valid permit and using weapons and ammunition that are legal for such designated hunts during daylight hours only. Only one (1) fox per day may be harvested.

12. BOW AND ARROW: (not including Crossbows) will be legal on all AREA scheduled hunts. Crossbows will be legal during any open bow and arrow season dates for any species (except turkey). Broadhead points will be legal only during scheduled deer and turkey hunts. All archery equipment used during the bow fishing season of March 1 — August 31 must conform to the provisions of Rule 220—2—46, relating to bow fishing.

13. Falconry: will be legal on all AREA scheduled hunts for legally permitted falconers. Falconers may take migratory game birds (not more than 3 per day) and resident game birds and animals on dates those seasons are open on each AREA.

14. TRAPPING: Standard .22 caliber or smaller rimfire firearms (no magnums) only, during daylight hours only - except where expressly forbidden.

(g) For any person to hunt deer with gun without first presenting his required hunting licenses at the checking station except on Demopolis, Riverton, St. Clair, W. L. Holland and Mobile-Tensaw Delta, Wolf Creek, and Upper Delta AREAS.

(h) For any person to carry in or on a vehicle, any of the following: any firearms [including pistols/handguns, except as described in (ff)] with ammunition in the magazine, breech or clip attached to firearms, or black powder weapons with primer, cap or flash powder in place, or cocked crossbows. See (ff) for limited exception for certain lawfully licensed handguns possessed for personal protection.

- (i) For hunters on dog deer hunts to leave stand assigned to them until instructed.
 - (j) To camp on any AREA except in designated sites. Campers using generators must camp in site designated for generator use. On AREAS located on U. S. Forest Service lands, this camping restriction applies October 1 — January 31, except on Choccolocco AREA, where the camping restriction shall also be in effect from October 1 through April 30 of each year. Individuals or groups may camp on AREAS for a period not to exceed nine (9) days in any thirty (30) day period. Campfires must be extinguished before departing. No warming fires shall be permitted away from camping area. All campers (portable shelters on wheels) must be removed from Barbour or Freedom Hills AREAS by sundown on the first Sunday following April 30th; otherwise, the camper may be towed from the AREA at the owner's expense; or, may be relocated to another portion of the AREA without AREA personnel being responsible for any damages and the owner assessed a \$10.00 per day storage fee without the State or AREA personnel responsible for any damage, loss, etc. No campers are permitted on Barbour or Freedom Hills AREAS, until September 1, unless approved by special PERMIT issued by the AREA biologist. All campers left unattended overnight must display the owner's contact information to include name, address, and phone numbers.
 - (k) To kill or willfully molest any species of wildlife except those designated for hunting. However, this regulation shall not apply to coyote or feral swine, which may be killed during all scheduled AREA hunts, when possessing a valid permit and using weapons and ammunition that are legal for such designated hunts during daylight hours only (NO DOGS).
 - (l) To discharge fireworks at any time.
 - (m) To discharge firearms for target practice provided, however, that this regulation shall not apply to the designated target range on Barbour, Black Warrior, Cahaba River, Choccolocco, Coosa, Freedom Hills, Sam R. Murphy, James D. Martin — Skyline, Oakmulgee, Swan Creek and Upper Delta AREAS. All range users shall abide by the listed rules. Permits for the excepted uses will be issued by the AREA biologist. The range may be closed as necessary by the AREA biologist .
1. Range is open during daylight hours only (except by permit).
 2. No alcoholic beverages allowed.
 3. Any legal firearm and ammunition (except armor - piercing or tracer by permit only) may be used on target range.
 4. Keep all firearms unloaded and muzzles pointed in a safe direction when not firing. Action on uncased guns shall be open when not on the firing line.
 5. All persons are to remain behind the shooting line while firing is taking place. No firing shall be allowed while anyone is down range.
 6. All firearms (except as noted below in #7.) shall only be fired from designated stations on the concrete shooting line into the embankment at stationary paper targets. Targets must be placed so shots will impact the embankment no higher than 5' above ground level at the base of the embankment. Only one person may shoot from each designated location at any given time.
 7. Shotguns with No. 4 shot or smaller may be fired at moving clay targets on designated clay areas only.
 8. All used targets, brass, shotgun hulls, and other trash shall be placed in a garbage can, or removed from the AREA.
- (n) To hunt or discharge firearms within 150 yards of any camping area, dwelling, dam or timber operation, 100 yards of any paved public road or highway, or from within the right-of-way of any developed U.S. Forest Service road (paved or unpaved) which is open for vehicular traffic; within a posted safety zone or on Sunday within one-half mile of any church.
 - (o) To use fire to smoke out game.
 - (p) For any person to possess any firearm while hunting with bow and arrow or crossbow, except on days of either sex gun deer hunts.
 - (q) To transport deer killed during gun hunts from any AREA before being checked at the designated checking stations for scientific data, except on Demopolis, Riverton, St. Clair, W. L. Holland and Mobile-Tensaw Delta, Wolf Creek, and Upper Delta AREAS.
 - (r) For any person except authorized personnel to operate any motor driven vehicle behind, under or around any locked gate, barricaded road or sign which prohibits vehicular traffic.
 - (s) For any unauthorized person to possess and/or operate ANY UNLICENSED MOTOR DRIVEN VEHICLE (2, 3, 4, or 6 wheel) on Autauga, Black Warrior, Cahaba River, Coosa, Demopolis, Mulberry Fork, and Perdido River AREAS. For any unauthorized person at any time to operate a motor scooter, motorcycle, motorized trail bike, or any motor driven vehicle on any AREA except on regularly used roads open for public use by four wheel vehicle traffic and except on U.S. Forest Service land in an AREA where "all terrain" vehicles (ATVs) must be used on open designated ATV trails only; or for any unauthorized person to ride or possess horses on any AREA except: (1) on roads open to four-wheel motorized vehicles, except Autauga; and (2) in areas, roads, and trails, designated as open to horses, except Autauga. Riding or possession of horses is prohibited on any AREA on days of scheduled gun deer hunts, and during legal hours of turkey hunting, except those portions of AREAS kept open to such activity by the U. S. Forest Service, and except on Freedom Hills and James D. Martin-Skyline where horses are only allowed on designated horse trails from March 1 to the beginning of turkey season and May 1 to September 30. Riding or possession of horses on wildlife management AREAS, except those on U.S. Forest Service lands, shall be restricted to holders of a current valid Wildlife Management Area license and a valid wildlife management area permit.
 - (t) For any person to hunt deer or feral swine on days of scheduled gun or primitive weapons hunts without wearing an outer garment above the waist containing a minimum of 144 square inches of hunter orange color or either a full size hunter orange hat or cap. Hunters are not required to wear hunter orange when hunting from a stand elevated twelve (12) feet or more above the ground. The hunter orange must be of solid color, except for a small logo and/or printing on the front of the cap, and visible from any angle. All persons hunting any wildlife species (except turkey and migratory birds and while hunting legally designated species during legal nighttime hours) on the W.L. Holland and Mobile-Tensaw Delta AREAS during dates and in areas open by regulation to feral swine season are required to wear an outer garment above the waist with a minimum of 144 square inches of hunter orange or either a full size hunter orange hat or cap.
 - (u) For any person except authorized personnel to block or otherwise stop traffic on any road or at any gate by parking a vehicle in such a way that passage around the vehicle is impossible.
 - (v) For any person to deposit, distribute or scatter grain, salt, litter, or any other materials on any AREA maintained by the Department of Conservation and Natural Resources prior to receiving approval from said Department.
 - (w) To hunt small game during gun deer hunts and primitive weapons hunts except on the W. L. Holland and Mobile-Tensaw Delta AREAS , and except waterfowl in the Daub's Swamp, Spidle Lake, and Dead Lake units of the Demopolis AREA and in the Upper Delta AREA.
 - (x) To damage or remove any artifacts, trees, crops, or other plants, dirt, gravel or sod without legal

- authorization.
- (y) To erect or use a permanent tree stand or scaffold without written permission from the landowners. No portable stands may be used within 50 yards of the boundary line on Barbour and Geneva State Forest AREAS.
 - (z) To cast a light of any kind, either hand held, affixed to a vehicle, or otherwise, between the hours of sunset and sunrise except in areas where the state law is more restrictive. This paragraph does not apply to the headlights of vehicles traveling in a normal manner on an open established road.
 - (aa) To hunt from an elevated stand or platform without attaching themselves to the tree or platform with a full body safety harness capable of supporting their weight.
 - (bb) To violate any posted restrictions on entry, hunting, fishing, or other conduct.
 - (cc) To release any animal, bird, fish, or other wildlife without first obtaining written permission from the Wildlife and Freshwater Fisheries Division.
 - (dd) To possess or use alcoholic beverages on the Coosa AREA.
 - (ee) The provisions of Rule 220-2-.109 entitled "Physically Disabled Hunting Areas," shall apply to that area entitled "Shiloh Hill Physically Disabled Hunting Area" located within Blue Spring Wildlife Management Area; provided further, that as to said physically disabled hunting area, in the event of a conflict between the provisions of Rule 220-2-.109 and this rule, Rule 220-2-.109 shall control.
 - (ff) Nothing in this regulation prohibits or requires a wildlife management area permit for the possession of handguns by lawfully licensed persons for personal protection, provided the handguns are not used to hunt or take or to attempt to take wildlife except as otherwise provided by this regulation.
- (2) Individuals must follow the listed rules to participate in the scheduled youth deer or turkey hunts on any AREA.
- (a) Each youth participant must be accompanied by an adult supervisor. The adult supervisor is to remain within arms length of the youth at all times.
 - (b) Youth is defined as those individuals who have not reached their sixteenth birthday.
 - (c) Adult is defined as those individuals twenty-five years old or older or the parent of the youth who are in possession of all state hunting licenses required to hunt deer or turkey on any AREA. Proof of possession of the required hunting licenses will be required on the scheduled date.
 - (d) Only one firearm will be allowed per youth. Only the youth hunter will be permitted to utilize the firearm for hunting. The adult is to review with the youth the rules of firearm safety and to ensure they are followed.
 - (e) The adult-youth pair is to check in and out at the AREA checking station as a single unit, except at Demopolis, St. Clair, W.L. Holland, Mobile-Tensaw Delta, Wolf Creek, and Upper Delta AREAS.
 - (f) Both the adult and youth will be required to wear hunter orange while deer hunting, as required by state regulation.
 - (g) All other rules and regulations to hunt on an AREA are in effect.
- (3) All bucks harvested must be properly recorded on the hunter's Antlered Deer Harvest Record form before field dressing or moving.
- (4) It shall be unlawful on Coosa AREA for any person to carry firearms in boats with ammunition in the magazine, breech or clip attached to firearms except when hunting waterfowl from a stationary boat.
- (5) It shall be unlawful on Coosa AREA for any person to ride or possess horses except on roads designated for four wheel motorized vehicles. Horses are not permitted in the campgrounds from October 1 to April 30.
- (6) It shall be unlawful on Barbour (except on Youth Deer Hunt), Freedom Hills (except on Youth Deer Hunt), Geneva State Forest (except on Youth Deer Hunt), Lauderdale, Lowndes (except on Youth Deer Hunt), and Riverton AREAS for any person, hunting by any method, to harvest, attempt to harvest, or possess any antlered buck with less than 3 points, 1 inch or greater, on at least one antler; and it shall be unlawful on Black Warrior Zone B AREA for any person, hunting by any method, to harvest, attempt to harvest, or possess any antlered buck with less than 4 points, 1 inch or greater, on at least one antler. It shall also be unlawful for anyone to destroy or attempt to destroy the antlers of any deer so as to make the determination of the legal status of the deer uncertain.
- (7) It shall be unlawful on Swan Creek, Crow Creek, Mud Creek and Raccoon Creek AREAS:
- (a) For any vehicle not authorized by the Alabama Department of Conservation and Natural Resources or TVA to be driven beyond and/or between the dyke gates.
 - (b) For any person to leave his vehicle parked at the approved launching sites. Hunters must use the designated parking areas. However, handicapped persons with approved handicapped vehicles may be parked at the designated handicap parking location at the main launch only.
 - (c) For any person to take, catch, kill, or attempt to take, catch, or kill mussels during the prescribed waterfowl hunting season.
 - (d) For any person to excavate, to hunt or attempt to hunt from any dug-out or excavated area.
- (8) The following shall apply to the dewatering sloughs on Swan Creek, Mud Creek and Raccoon Creek AREAS:
- (a) All boats and/or boat blinds used in the harvest of waterfowl on said dewatering sloughs shall be launched and removed daily or shall be floated to an approved launching site for overnight mooring. [For the Swan Creek AREA, see (9)(i).]
 - (b) It shall be unlawful for any person to take fish for commercial purposes and/or to use commercial fishing gear within said dewatering units from November 1 through January 31 of each fiscal year.
 - (c) Temporary blinds may be used for one day only. All such blinds, except boat blinds, left in said areas for more than one day shall be disposed of as deemed advisable by the Wildlife and Freshwater Fisheries Division of the Department of Conservation and Natural Resources.
 - (d) The construction or use of permanent blinds requiring building material, flooring and/or flotation materials shall not be permitted in, or within 150 yards of, the Mud Creek and Raccoon Creek dewatering units.
 - (e) It shall be unlawful for any person using duck and/or goose decoys in the Mud Creek and Raccoon Creek dewatering units to leave said decoys overnight. In addition, all unauthorized activity is prohibited from the herein mentioned dewatering units; from 7:00 p.m. to 12 midnight each day during Nov. 1 – Feb. 15; and, 48 hours prior to waterfowl season openings.
 - (f) It shall be unlawful to use airboats.
- (9) It shall be unlawful to install permanent waterfowl hunting blinds (those using building materials and/or remaining in position overnight) anywhere on the Swan Creek or Mallard-Fox Creek Wildlife Management Areas (WMA) except on the Swan Creek WMA dewatering unit where specified. All such blinds to be placed in the dewatering area must be registered with Wildlife and Freshwater Fisheries Division officials

in accordance with the following conditions:

- (a) The Wildlife and Freshwater Fisheries Division's Blind Governing Committee shall be the final authority in resolving any dispute concerning permanent waterfowl blinds. The Blind Governing Committee shall be made up of the following people: District I Conservation Enforcement Supervisor; two Conservation Enforcement Officers; District I Supervising Wildlife Biologist, and the Area Biologist for Swan Creek AREA. See also subsection (k) concerning the authority of the Blind Governing Committee.
 - (b) Blinds must meet "Qualifications and Registration Procedures" established by the Wildlife and Freshwater Fisheries Division and deemed acceptable by an inspecting official in order to be registered. For information or a copy of the procedures, call (256) 353-2634.
 - (c) All blinds passing inspection will be tagged by the inspecting official. The tag must remain attached to the blind for the duration of the blind's stay on the Area. Tags shall not be moved to a different blind. It is the hunter's responsibility to make sure the blind they hunt from is properly tagged. No person may hunt from an untagged blind. See also subsection (k).
 - (d) All permanent waterfowl hunting blinds will be inspected and registered between the hours of 8:30 a.m. - 10:00 a.m. on Saturday October 24, 2009. Only one blind may be registered per individual. In addition, that person, if required to have a hunting license or Federal waterfowl stamp to hunt waterfowl, must present a valid hunting license, a WMA license, a state waterfowl stamp and/or a federal waterfowl stamp along with their blind certification receipt at the registration table in order to complete their registration. Only fifty (50) permanent blinds will be installed at preselected sites in the dewatering area. All registered blinds drawing one of the 50 preselected sites must be installed as near as possible to the preselected site prior to gate closing on November 2, 2009. See also subsection (k).
 - (e) Each selected blind must be completely camouflaged with natural material (cane, oak limbs, Fast Grass®, or other similar materials) except for the boat entrance and the shooting holes before being placed in the dewatering unit. Camouflaged netting, burlap or other similar materials will not be accepted as camouflage, except when used to cover the boat entrance and/or shooting holes. See also subsection (k).
 - (f) In order for a blind to be eligible to be hunted from it must be anchored within 10 feet of the appropriate blind location marker. Blinds must remain within 10 feet of the blind location marker during the entire waterfowl season. This is not intended to prevent a blind owner from removing his blind from the WMA. Blind markers shall not be moved or otherwise altered or tampered with. If it is determined by the blind governing committee that a blind marker has been moved or otherwise altered or tampered with, that blind shall be subject to disqualification from hunting by the Blind Governing Committee. See also subsection (k).
 - (g) No blind may be attached to the location marker in any way. If a blind is found to be attached to a marker, all hunters in the blind will be deemed to be in violation of this regulation. See also subsection (k).
 - (h) Blinds that are drawn and installed in the dewatering unit must be completely removed from the WMA no later than February 16, 2010. Any blind not drawn and installed on one of the 50 sites must be removed from the WMA by sunset of the day following the opening day of waterfowl season. (This includes all blinds within the boundaries of the Swan Creek WMA.) Any such blinds, trailers, or parts thereof remaining on the WMA after the above dates shall be deemed to be the property of the Department of Conservation and Natural Resources and shall be utilized or destroyed as deemed advisable by the Wildlife and Freshwater Fisheries Division.
 - (i) Anyone launching a boat, preparing to hunt waterfowl within the dewatering unit may not depart any launch site before 4:00 AM daily. With the exception above, all other hunters preparing to hunt waterfowl within the dewatering unit shall not be allowed in the water before 4:00 AM daily. All boats and boat blinds used in the harvest of waterfowl within the dewatering area shall be floated to an approved launching site for overnight mooring or removed from the dewatering unit no later than 7:00 PM daily.
 - (j) Dewatering area access gates will be closed on November 2, 2009 and will be opened by 10:00 AM of the day before the opening day of waterfowl season. No boats with motors are allowed in the dewatering unit during the period gates are closed except as specified on decoy days.
 - (k) The committee shall have the authority to disqualify any blind if a dispute occurs and it can not be resolved; or for any violation involving Blind Regulations or Permanent Blind Qualifications and Registration Procedures; or for any violation of any portion of this section of the regulation pertaining to the Swan Creek Dewatering Area. Any blind that is disqualified by the committee shall be deemed immediately ineligible to be hunted from and shall be removed from the dewatering unit for the remainder of the waterfowl season following notification of the blind owner. The blind owner will have 48 hours in which to move the blind to an approved launch site for mooring and no more than seven-days following notification of disqualification, for its complete removal from the WMA. Should the blind owner of a disqualified blind fail to move the blind to an approved launch for mooring and/or to completely remove any such blinds, trailers, or parts thereof from the Area within the specified times listed above, the blind shall be deemed to be the property of the Department of Conservation and Natural Resources and shall be utilized or destroyed as deemed advisable by the Wildlife & Freshwater Fisheries Division.
- (10) It shall be unlawful on the St. Clair Community Hunting AREA:
- (a) To hunt, trap, use dogs, possess firearms, ammunition, traps, archery equipment or utilize the area for any other recreational purposes without a valid permit in possession.
 - (b) To hunt or perform any other recreational activities other than during daylight hours, except raccoon, opossum, and fox hunting, which may be hunted at night during the AREA seasons for those mentioned species. All other recreational activities are prohibited after 7:00 p.m. each day until daylight hours the following day.
 - (c) To possess alcoholic beverages while on the AREA at any time.
 - (d) To operate any motorized vehicle on the AREA except on roads designated on the current year's permit for motorized vehicular usage.
 - (e) To camp overnight or have warming fires on the AREA.
- (11) A \$15.00 Management Area License in addition to a regular hunting license and a management area permit are required for hunting on AREAS; provided however, that properly licensed persons under the "Wildlife Heritage License" may hunt legal small game except waterfowl on AREAS without the other licenses described herein.

Alabama's National Archery in the Schools Program

Alabama was the second of 49 states to implement the highly successful National Archery in the Schools Program. This partnership between the State Department of Education and the Division of Wildlife and Freshwater Fisheries has grown to include approximately 157 schools located from Huntsville to Mobile. This program is not the archery class of old, but a new, exciting hands-on program that has been enthusiastically received by students, teachers, and parents. Archery is a life skill and a healthy recreational activity to be enjoyed for years to come.

The two-week physical education curriculum is best suited for 5th to 8th grade students but is not limited by age, gender, or physical disabilities. Please visit the following website to obtain information on developing an archery program within your local school system:
